Vote Yes to Grow Housing. Improve Dallas.
Early Voting: April 22 – 30. Election Day: May 4

In February, the Dallas Mayor and City Council finalized the 2024 Capital Bond Program and set the bond election for May 4. If approved by voters, **Propositions G (Economic Development), H (Housing), and I (Homelessness)** would represent the largest bond investments made by the City of Dallas addressing housing affordability and homelessness solutions.
